

C O R P O R A T E T U N E - U P S

Dirt Dart's exclusive corporate tune is a great way to get the whole office up and biking their way to a better, greener, healthier way to get to work or get around. Dirt Dart gives \$10 off each tune of each bike if there are four or more bikes to tune.

Dirt Dart Mobile Bike Service is offering bicycle tune-ups at your place of work for the discounted rate of \$55 (normal price \$65).

A tuneup includes:

- Complete bike wash and inspection
- Wheel truing
- Brake adjustment
- Derailleur adjustment
- Lube cables and drivetrain

(Parts not included)

We can do most major bicycle repairs onsite and also offer accessories and upgrades including lights, computers, multi-tools, performance road and mountain bike tires, Slime, etc. What we don't have in stock, we will be glad to order and get within two or three days max.

HOW IT WORKS: Easy as one, two, three, four!

- 1 You choose one representative from your company or organization to be the go to person for all the tune- up needs.
- 2 The designated person should fill out this form from the second page of this document (also available at dirtdart.com/corporatetune.com) At this point, a day and time can be arranged for the corporate tune. Be sure to make copies for all the people involved in the tune, so they have all the information they need to be ready on the date and time established.
- 3 Call Steve at 895-8000 to pick up this filled out form, or print, fill out, scan and email back to steve@dirtdart.com
- 4 Members involved bring their bikes to work on the specified day and Dirt Dart has them tuned and ready by 5 p.m. the same day to take home and have ready to ride.

Other than the work described in the corporate tune form, no other work will be performed on the specified day except small emergencies such as a flat or quick fix.

THE CORPORATE TUNE IS A GREAT WAY TO GET YOUR GROUP MOTIVATED TO GET OUT AND RIDE.

Bicycling is one of the best low impact sports for all ages. By encouraging your people to ride by helping get their bikes ready is a huge step towards getting those same people out and riding.

Thank You, Steve Parrish

C O R P O R A T E T U N E - U P S S I G N U P F O R M

- 1 Please designate a key person to be the organizer for your company tune.
- 2 Once you have chosen a representative, please fill out the form below for all the bikes to be serviced.
- 3 Once the form is completely filled out, please call 895-8000 to arrange a time for the form to be picked up, mailed or faxed.
- 4 Members involved bring their bikes to work on the specified day and Dirt Dart has them tuned and ready by 5 p.m. the same day to take home and have ready to ride.

Un-scheduled small emergency repairs (i.e. flats) can be done on site if time allows.
